## TOWN MEETING AND ELECTION

March 7, 1972

At a legal meeting above notified and held at the Central School in Greenland, N. H. on Tuesday, March 7, 1972, the following business was transacted:

Meeting called to order by Moderator John R. Brackett, at 9:50 P.M. Salute to the flag was led by Gary Driscoll. Invocation was given by Rev. James Fredette.

By non-partisan ballot, cast from 10 A.M. to 6 P.M. the following officers were elected:

### Article 1, 2 & 3

No. of ballots cast: 698. Town Clerk: Bonnie L. Tebbetts; Selectman: Robert M. Hussey; Treasurer: Nathalie Chase; Tax Collector: Bonnie L. Tebbetts; Highway Agent: W. Richard Weeks; Auditors: James G. Rolston, Robert L. Sutherland, Jr.; Library Trustee: G. Newton Weeks; Trustee of Trust Funds: A. Duncan Brackett.

School District Officials elected by ballot: Moderator: Herman Parker; District Clerk: Muriel Hayden; Board Member: Deborah Brown; Treasurer: Frank Wirling; Auditor: James Rolston.

### Article 4

Motion made by Richard Pinney, seconded by Clifford Flanders, to by-pass Article 4 through 12 and to take up Article 13. Motion passed.

### Article 13

Motion made by Clayton Spinney, seconded by Frank Richards, to accept Article 13 as read, that the town vote to raise and appropriate the sum of \$35,000

to cover the necessary expenses for the purchase and restoration of the property owned by Arthur A. Peterson. Said property consists of approximately nineteen (19) acres and the former Frink Tavern, a three story frame building at 480 Portsmouth Avenue. The building is to be used principally as town offices and community center. That portion of the land between Route 101 and Packers Brook of approximately eleven (11) acres to be used for open space and recreation. Motion made by Sigmund Wroblewski to amend Article 13, to authorize the Selectmen to restore and repair the building using the \$11,500 anticipated from the Land and Water Conservation Fund Program. This fund also authorized to be used for defraying the costs of surveying, appraisal and the transfer of property. To authorize the Selectmen to use any rehabilitation matching funds for further repairs and rehabilitation of the Frink Tavern "for town use". That portion of the land between Route 101 and Packer Brook (approximately 11 acres) to be used to establish Champernowne Historic Park. A public road from 101 over the B & M RR tracks toward Packer Brook to be laid out. To authorize the Selectmen to rent space within the building as the Selectmen judge to be in the best interest of the town. Motion made by Edward Blaufuss, seconded by Clayton Spinney to vote on Article 13 as amended by secret ballot with the use of the check list.

Total ballots cast: 327.

Results of secret ballot: No — 180; Yes — 147.

The following statement was read by George Gowen, Chairman of the Board of Selectmen:

The Selectmen believe that a fair solution to the problem of where to house the town offices could be reached by a committee appointed to study this problem. This committee would also study the needs of the Fire Department, all offices pertaining to the town, and any needs that the town may encounter in the future.

The findings of this committee would be reported in a special Town Meeting early in June.

The following persons are named to serve on the committee:

Mr. William Eckhart

Mr. John Brackett

Ms. Donald Casey

Mr. Kenneth Fernald

Ms. Roy Hoonhout

Mr. Paul Hughes

Mr. Norman Nichols

Mr. Herman Parker

Mr. G. Newton Weeks

Shirley G. Hoonhout

## SELECTMEN'S REPORT

George E. Gowen, who has served Greenland for many years as selectman, resigned as of December 31, 1972, for personal reasons.

The tax rate for the forthcoming year will show a moderate increase, largely due to the large increase of Portsmouth tuition charges to Greenland high school students. This is beyond our control.

The Board of Directors of the Portsmouth Y.M.C.A. has notified the selectmen that it will not operate Camp Gundalow this season and that the entire property will be sold.

For those who are not familiar with it, Camp Gundalow is located on Tuttle Lane off Route 101 along the Winnicut River. It covers about eighteen acres. Part of it consists of rental property of a house and four apartments, which was purchased by the Y.M.C.A. several years ago for \$51,000.00.

The recreational facilities include a swimming pool 60 feet long by 30 feet wide. This pool was recently completely overhauled and we are told that it is in excellent condition. There is also a small wading pool which would need some repairs if it were to be used.

There are several buildings on the property, including toilets and dressing rooms. One building, the "Lodge", is of good size, and has a kitchen.

There is a paved basketball court and space for volleyball. There is also a baseball field suitable for softball and baseball practice. There are two aluminum canoes for use on the river.

The Board of Directors have had a professional appraiser examine the property, and he has made an appraisal of \$105,000.00. Mr. Wayne Eddy, of the Bureau of Recreation, N. H. Dept. of Economic Resources and Development, has come here and gone over the property recently. He assured us that Federal Funds would be available on a matching basis if the town wished to buy it.

For the present, however, your Selectmen have been negotiating with the Board of Directors for the town to operate Camp Gundalow this summer, rent free. If agreement on this can be reached, it will give the town an opportunity to find out how much community interest exists and how much use will be made of the facilities this season.

It is proposed that suitable fees be charged to defray the expenses. It is hoped that the various local organizations will all put their full efforts towards making this a highly successful project. — — IF we are able to get the Y.M.C.A. Board of Directors to allow us to use Camp Gundalow this summer.

We acknowledge with many thanks the gifts of books, records and magazines from the following: Mr. and Mrs. Frank Richards, John Grady, Colonel and Mrs. George Prindle, the Greenland Junior Women's Club, Mrs. Judith McAdams, Mr. and Mrs. L. Favinger and Mrs. Charles Dale.

The Friends of the Library have continued to be most helpful in adding to the resources of the library. A copy

of the book of the artist and illustrator, Norman Rockwell, was presented; also a copy of "Ports of the Piscataqua." The Friends appropriated money for the purchase of children's records. We were able to buy thirty records, making a good addition to the children's collection.

During the latter part of November a complete refinishing of the floor of the library was undertaken. The entire surface was sanded and a glossy finish put on. We now have a beautiful floor which should last for many years. While the workmen were busy the library was closed for three library days. There has also been considerable repair work done on the outside of the building.

The Trustees extend sincere thanks to all who assisted in the work to keep the building in good condition. We especially thank Mr. Willard Page for re-wiring electric fixtures.

Respectfully submitted  
Catherine M. Syphers  
Librarian

## GREENLAND VOLUNTEER FIRE DEPARTMENT REPORT FOR 1972

During 1972, the Fire Department responded to 36 emergency calls. This is a decrease of (8) calls from 1971. Part of this was due to a wet year which held down the wildland fires but a good deal of credit goes to the citizens of Greenland for their cooperation in preventing fires.

The breakdown of fires is as follows:

Buildings .....	2
Mutual Aid .....	2
Vehicle Accident .....	3
Vehicle Fire .....	2
Woods .....	2
Grass & Brush .....	7
Town Dump .....	3
Electrical (Inside) .....	1
Power Lines .....	2
Investigate Smoke .....	2
Hay & Trash Pile .....	2
Gas Spill in Cellar .....	1
False Alarm .....	6
Miscellaneous .....	1

Due to prompt notification of the Department damage was held to a very minimal figure. Under the Mutual Aid Agreement, the Greenland Department provided aid to Stratham on two occasions. No fires within Greenland warranted the use of outside departments.

A total of 343 man hours were spent in response to alarms. This does not include the time spent at the station after each call restoring equipment for the next alarm. An additional 1800 man hours were spent in

training, including Department drills, State courses, and required fire schools. The weekend duty roster was again maintained from mid May through October to assure prompt initial response.

Upon the arrival of the new Water Tender in early October a pump class was held, conducted by State Fire Instructors to familiarize members with the truck's operation. The new truck was thoroughly tested and was found to meet or exceed all specifications.

Equipment purchased during 1972 with town funds included 10 sets of Protective Clothing, 10 Plectron Radios. 20 lengths of 2½" Hose and (2) Scott II Air Masks.

Equipment purchased from funds raised by Department members and the Ladies Auxiliary included an electronic siren and P.A. system for the new truck and a portable radio.

As the Department lacks adequate reserve of hose, an article appears in the warrant for the purchase of 1000 ft of 4" supply hose. It was recommended by the Underwriters that the Department secure more hose in accordance with NFPA pamphlet No. 19.

The Department would like to extend its warmest thanks to all those people and organizations who have helped in various ways throughout the year. And a special thanks and well done to the ladies of the Auxiliary for another year of hard work for the Department.

Again we would remind the new in town as well as the old that the emergency number for the Fire Department is 436-5553. This is for EMERGENCIES ONLY AND SHOULD NOT BE USED TO OBTAIN INFORMATION!

Also, the Department still needs manpower, especially during the daytime. Anyone willing to give of their time for training and emergencies, please contact any fireman.

Respectfully,  
Chief Franklin P. Durgin

## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of costs, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned - 1972 season:

STATE	410 fires	361 acres burned
DISTRICT	102 fires	55½ acres burned
TOWN	5 fires	5 ¾ acres burned
FIRE PERMITS ISSUED		140

# TOWN WARRANT --- 1973

The State of New Hampshire

To the Inhabitants of the Town of Greenland in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Greenland Central School in said Greenland on Tuesday, the sixth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing and to cast your ballot on the following question. Are you in favor of the adoption of the amendments to the Greenland Zoning Ordinances and Zoning Map as proposed by the Town Planning Board? Copies of said Zoning Amendments and Map are on file with the Town Clerk and to be posted at the time and place provided for election of Town Officers.

(The polls will open at 10:00 A.M. and will close no earlier than 6:30 P.M. to cast your ballot on Article 1. Discussion and action on other articles in the warrant will take place in the evening beginning at 8:00 P.M.

2. To hear the report of the Town Clerk on the result of your ballot in the election of Town Officers and the disposition of the question on referendum.

3. To fix the salaries of the Town Officers and to raise and appropriate the estimated sum of \$9,200. in payment of salaries and commissions.

4. To raise and appropriate such sums of money as may be necessary to defray town charges for the ensuing year. The estimated amount for town charges is \$73,721.00.

5. To see what sum of money the town will vote to raise and appropriate for the building, repair and maintenance of highways and bridges. The estimated amount is \$8,000. for summer work and \$10,000. for winter work.

6. To see if the town will vote to raise and appropriate the sum of \$164.54 for the construction and maintenance of Class V roads.

7. To see if the town will vote to authorize the Selectmen to accept as town roads any road which may be completed during the year, which have been approved by the Town Planning Board, constructed in accord with the required specifications and approved as to construction by the Town Road Agent and the land on which said roads are located deeded to the town. Such approval by the Selectmen shall be recorded with the Town Clerk.

8. To see if the town will vote to authorize the Selectmen to borrow money on short term notes in anticipation of taxes.

9. To see if the town will vote to give the Selectmen permission to spend \$2,972. of the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, for the operation of Camp Gundalow.

10. To see if the town will vote to raise by short term notes the sum of \$13,000. for the installation of a water line on Breakfast Hill Road over I-95. This sum to be

paid over a two year period.

11. To see if the town will vote to authorize the Selectmen to spend the \$3,077. received from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, toward the replacement of the police cruiser for which the lowest bid received is \$3,243.10 including trade-in. The balance to be raised by taxation.

12. To see if the town will vote to raise and appropriate the sum of \$19,000. for the support of the police department.

13. To see if the town will vote that effective June 1, 1973 all BB guns, pellet guns, 22 caliber weapons, pistols and rifles shall be registered with the local Police Department.

14. To see if the town will vote to require all bicycles to be registered each year at a fee of \$1.00 per bicycle and to be equipped and maintained in compliance with State regulations - such as: having a light in the front, reflectors showing in the rear, handle bars at standard height, etc. Bicycles not so equipped will be picked up and held until corrected.

15. To see if the town will vote to authorize the Police Department to issue parking tickets for parking violations as set forth in State law. The fine to be \$1.00 payable to the Town Clerk within 72 hours. If not paid within time limit, a summons will be issued.

16. To see if the town will adopt an ordinance to require any vehicle which hampers the removal of snow during the period from Nov. 1 to April 1 to be towed away at the owner's expense.

17. To see if the town will vote to raise and appropriate the sum of \$600. as Greenland's share toward the support of the Seacoast Regional Counseling Service. (Mental Health).

18. To see if the town will vote to raise and appropriate the sum of \$500. toward the support of the Great Bay School.

19. To see if the town will vote to raise and appropriate the sum of \$3,700. to purchase 1,000 feet of large diameter hose (4") and necessary fittings for the Fire Dept.

20. As Greenland's share toward the support of the Southeastern New Hampshire Regional Planning Commission, to see if the town will vote to raise and appropriate the sum of \$1,178.40.

21. To see if the town will vote to raise and appropriate the amount of \$75. in support of the Seacoast Regional Association.

22. To see if the town will vote to raise and appropriate the amount of \$1,964.00 for the Portsmouth District Nursing Association so that Greenland may receive coverage in the services of this organization.

23. To see if the town will vote to change the pricing of the grave lots as recommended by the trustees. The following schedule is proposed:

Full family size lot 18x18 \$200. plus \$200. for perpetual care. For lots 9x18 \$100. plus \$100. for perpetual care. For lots 9x9 \$75. plus \$100. for perpetual care.

24. To see if the town will vote to return to the donor a small piece of land (O. 8 A.) which is a part of that which was given to the town for the purpose of the erection of a water tank off Breakfast Hill Road and is presently land locked by other property of the donor.

25. To see if the town will vote to pay to the donor \$1,700. being one half of the sum recieved by the town from the State for the piece of land off Breakfast Hill Road in connection with the widening of I-95.

26. To transact any other business that legally may come before this meeting.

Given under our hands and seal, this seventeenth day of February, in the year of our Lord nineteen hundred and seventy three.

## REPORT OF THE PLANNING BOARD

During the period from January first to December thirty-first, nineteen seventy two, the Planning Board held 16 meetings, reviewed thirteen subdivision requests and four site plans.

The board is in the process of presenting six proposed alterations to the zoning ordinance pertaining to:

1. Bill board advertising.
2. Changes to the Commercial zone.
3. Building on back land.
4. Side walks.
5. Apartment construction.
6. Recreational camping areas.

Official copies of the complete proposed articles are available at the town clerk's office; copies will be on display to the voters on the day of the Town meeting. If you were unable to attend the public hearings, please investigate the above mentioned points, as we feel they are important. You are urged to have a voice in the regulations of your town. Please exercise your privilege and vote.

Respectfully submitted  
Rance E. Collins  
Chairman, Greenland Planning Board

## PORTSMOUTH DISTRICT NURSING ASSOCIATION

January 30, 1973

Board of Selectmen  
Greenland, N. H.

Services to the Town during the past year included clinic programs of immunizations, health supervision under pediatricians, family planning clinics, all of which Greenland's citizens may use free of charge. 53 persons availed themselves of these health services during 1972. Nursing care visits totaled 85. Persons unable to meet the charge are cared for free or at a reduced rate.

The medicare program will only pay for home health care that is given through a certified Home Health Agency. Citizens 65 and over who need this service receive this care in the greater Portsmouth Area through the District Nursing Association. Children entering school, or children already in your school system whose immunizations are incomplete (such as the current measles risk) may attend any Tuesday afternoon clinic to receive their shots. No charge for this public health care is made.

We respectfully ask that you consider the health care needs of those in your community who have used or may in the future require our services.

Sincerely yours,  
Catherine Athanasiou  
President, Board of Managers

## TOWN OF GREENLAND RECREATION COMMISSION REPORT 1973

### Introduction:

During the past season it has become apparent that the town must provide more money for recreation. The days of individual contributions is about over and every taxpayer should pay his fair share for organized sport and the development of better facilities in Greenland. It is with this thought in mind, supported by the past two years experience factors of actual expenditures for organized youth activities, that we base this budget estimate for 1973.

### Organized Sports:

Little League Baseball: Greenland operated four (4) little league teams and one (1) Babe Ruth league team in 1972. The 1973 season will require one (1) additional little league team. We hope to join with Stratham and play little league ball under a "Twin Town" concept. This will help scheduling and should provide a more interesting league.

The Babe Ruth League will not have a ball field unless we can (1) accelerate work on the proposed field in back of the present hockey rink or (2) find a suitable substitute location while this new field is being completed. Either way will take lots of help and money. We have some construction help pledged.

### Proposed Baseball Budget:

Uniforms for a new team	\$ 280.00
New equipment for all five (5) teams, i.e., bats, balls, catchers equipment, helmets, scorebooks, etc.	980.00
Umpires equipment and bases	170.00
	<hr/> \$1,430.00

Football: Flag football was passed by in 1972 because of lack of coaches. We have a new plan to get this sport over in 1973. New equipment is badly needed.

**Proposed Football Budget:**

Shirts (Uniform type) and Flags for	
four (4) teams	\$ 260.00
Equipment, balls, scorebooks, field marker	100.00
	<hr/>
	\$ 360.00

Basketball: At present, the only basketball court available is in the School. We have a project underway to provide an outdoor surfaced basketball court next to the little league ballfield. "Riverview Park". This may be completed during the summer. Our budget is based on organized basketball for both boys and girls in the school gym.

**Proposed Basketball Budget:**

Uniforms for Boys teams (4)	\$ 190.00
Uniforms for Girls teams (4)	170.00
Equipment, balls, scorebooks	75.00
	<hr/>
	\$ 435.00

Hockey: Greenland will have a chance in 1973 to enter organized youth hockey. There is a new indoor rink coming to Newington. We should program at least two (2) teams for this very popular sport for 1973.

**Proposed Hockey Budget:**

Organized team play - two (2)	
teams, uniforms	\$ 240.00
Rink/league fees	200.00
Equipment, nets, sticks, protective clothing	200.00
	<hr/>
	\$640.00

Volleyball: We proposed to build an outdoor volley-

ball court on town land near the skating rink. This field get a lot of use during the summer. It was mowed all last summer and a volleyball net would supplement the sports activities for both girls and boys.

**Proposed Volleyball Budget:**

Equipment, nets, poles, balls, field lines	\$150.00
--	----------

Softball: This is a sport which involves boys/girls and men/women teams, and was very active in 1972 on the school field. It should be expanded and funded to provide more recreation for 1973.

**Proposed Softball Budget:**

Uniform allowance	\$ 200.00
Equipment, Bats, balls, protective equipment, catchers equipment	150.00
	<hr/>
	\$ 350.00

**Summary of Active Sports Budget for 1973:**

Baseball - all teams	\$ 1,430.00
Football	360.00
Basketball	435.00
Hockey	640.00
Volleyball	150.00
Softball	350.00
	<hr/>
	\$ 3,365.00

**Recreation Facilities: (Permanent type)**

There is a project underway and we hope to have State/Federal project approval by March on "Riverview Park" between the present Little League Field and Bayside Road. Briefly, it will be a double regulation tennis court surfaced and fenced, an outdoor surfaced basketball court, a small building for rest rooms and equipment storage. This is a matching fund project under the State Recreation Program. The 2.5 acres of land donated by Roger and Pauline Caswell is valued at

\$8,000 (Federal Appraised Value). The State will match this value in dollars. There is no town money required at this time.

**Baseball Field:**

The Commission has started clearing land behind the town dump for a regulation ball field. It still required much cutting of trees and filling before it can become a ballfield. The Babe Ruth League has been using the present little league field for the past two years by moving the bases and fence back. This cannot be done any longer because the completion of "Caswell Drive" will not allow enough room for the Babe Ruth field. (The Sub Division was planned for little league play only.) So -- we need two (2) items.

1. An initial sum of money on which to start a "Town Baseball Field project" to qualify under the State Matching Fund. This will be the initial outlay on the eight (8) acres of land designated for recreation in Greenland.

\$1,000.00

2. Softball: There was much activity on the ball field behind the School. This field is suitable for softball for both men/women or boys/girls. It is badly in need of resurfacing and re-seeding to make it safe for play. This could be either a school budget item or recreation item.

\$300.00

**Grounds Care:**

We are proposing that the ballfields and volleyball courts should be cut during the summer months by the same person who cuts the town parks.

\$300.00

**Summary:**

Ballfield Fund	\$ 1,000.00
Resurfacing School Ballfield	300.00
Grounds Care	<u>300.00</u>
	\$ 1,600.00

**Summary to Budget Committee:**

The Recreation Commission has carefully considered all aspects of providing a balanced youth program for 1973 for both boys, girls and some adults. We badly need people to take an active part in coaching and some work projects such as the building of the permanent ballfield and, more important, finding a field to use until the new one is ready. Your support in helping to gain more active participation will be greatly appreciated.

**New Subject:**

If the lease or purchase of Camp Gundalow is offered to the Town of Greenland, we, the Recreation Commission, would like to go on record as saying this would be a very valuable asset to the town recreation program, and would give a facility that could in many ways be self-supporting.

We ask your support in our 1973 budget as presented.

## SUPERVISORY UNION NO. 52 ADMINISTRATOR'S REPORT

We would like to take this opportunity to welcome Greenland to Union No. 52. We have been sincerely impressed by the obvious dedication of the Greenland Board of Education and by the continuing commitment and concern of the Greenland Community to its young people.

Thanks to the cooperation of all concerned, the transition from Union No. 16 has been a smooth one. The year began August 31 with a Union-wide faculty meeting at Portsmouth Area Senior High School, with classes beginning on September 5.

School opened with four teachers new to the School, three of whom were replacements. The fourth was our first full-time reading teacher. Our part-time nurse has also joined us on a full-time basis with half of her duties as nurse and half as counselor. She is fully qualified in both positions. At the mid-year point it was also necessary to replace Mrs. Fletcher in Grade Three. The present staff with their respective assignments is listed below:

### PRINCIPAL – MR. EUGENE HAIGHT

Grade 1	Mrs. Evelyn Arey and Miss Janice Whittemore
Grade 2	Mrs. Louise Clements and Mrs. Linda Barber
Grade 3	Mrs. Caroline Alexander and Mrs. Jeanne Paratore
Grade 4	Mrs. Toni Carey and Mrs. Marjorie O'Shaughnessy
Grade 5	Miss Kathleen Connolly and Mrs. Sheila Foss
Grade 6	Mrs. Jane Bashaw and Mrs. Pauline Evans
Social Studies	Miss Nancy Hamilton
Science	Mr. Norman Breault

English	Mr. Timothy Flynn
Mathematics	Mr. Herman Parker
Reading	Miss Georgann Ellis
Nurse-Counselor	Mrs. Virginia Holder
Music	Mrs. Marjorie Robinson
Library	Mrs. Barbara Parker
Library-Aide	Mrs. Cynthia Nichols
Secretary	Mrs. Margaret Pinsonneault
Cafeteria-Manager	Mrs. Edith Telles
Assistant	Ms. Kathleen Sutherland
Assistant	Ms. Arlene Katsanos
Assistant	Ms. Ruth Carder
Custodian	Mr. Donald Brackett
Assistant	Mr. John Odiorne

The tuition rates for 1972-73 for Portsmouth Area Senior High School, as approved by the State Department of Education are:

Estimated per pupil cost for 1972-73	\$1,010
Rental charge	55
Total 1973-74 tuition	\$1,065

New Hampshire communities continue to bear the heaviest local share burden for financing public schools in the nation. With the possible loss of Impacted Area funds, this situation becomes increasingly critical. There has been legislation introduced in this session of the Legislature to repay local communities for their loss of building aid in 1971-72 and 1972-73. This would certainly help but the full answer seems to be realistic funding of all existing legislation for state aid.

Greenland citizens should be aware that the Supervisory Union officers are theirs also, and should feel free to contact this office for questions or problems of the Union.

## PRINCIPAL'S REPORT GREENLAND CENTRAL SCHOOL

In a previous report I mentioned that "Greenland has always been 'blessed' with a fluctuating enrollment" because of the two large federal installations located nearby. During the present school year enrollment has varied erratically from 330 to 341 with a total of 354 students enrolled so far. The situation does present somewhat of a problem in estimating supply and text requirements because entering students are seldom from the same grade or level as students who are leaving.

The first grade teachers feel more strongly than last year that the Transition Class is of enormous benefit to those youngsters who need more time to develop before attempting the first grade curriculum. We are hopeful that some way can be found to continue Greenland's participation in such a program.

Curriculum planning is a complicated process. A school's program should not be changed without a thorough study of the present program and careful consideration of the possibilities for immediate and long range changes. Specifically, the Xerox Company's "Science — A Process Approach" has been integrated into our science program through grade six. Grade seven will be working in this program during the 1973-74 school year. The addition of grade seven completes the program as it now stands.

The philosophy and instructional methods of the school are moving toward the individualizing of instruction within the limits imposed by available materials and resources. We hope to further individualize instruction as more materials and equipment can be provided. Because of the tremendous and detailed record keeping and planning involved in individualized instruction, it is

hoped that more persons will consider the opportunities for self-satisfaction and highly valuable contributions to the community which are part of the rewards of teacher aides.

A study of the language arts curriculum including reading has been underway at both Supervisory Union and local levels for a year and a half. A series of meetings will be held soon for the purpose of adopting new programs in both language and reading which can be adapted to individual growth in those areas.

A survey of mathematics is being conducted at the Supervisory Union level. Representatives of Greenland Central School are attending meetings in Portsmouth. The purpose of the meetings is to evaluate current strengths and weaknesses in the math programs and to make suitable recommendations.

It is quite probable that a change will be made in the Junior High program beginning in September, 1973. The proposed change would remove the 7th and 8th grades, with the exception of those individuals who need remedial work, from the upgraded reading program. The Junior High literature program would become part of the English curriculum as is the case in Junior High Schools which are separate institutions. It is planned to institute four mini-courses to be conducted during the time which would become available. The adoption of this proposal is contingent upon the acquisition of sufficient resources.

The staff of Greenland Central School recognizes that we live in a rapidly changing world and that today's children must be able to cope with a future which will, in all probability, be radically different from the present. It is to this aim we address ourselves and we sincerely invite the community to join us.

At this time I would like to thank all those associated with this school – students, School Board, faculty and staff, parents, members of the community – for their cooperation and support. The staff of Supervisory Union No. 52 is to be commended for their willing and capable efforts during the difficulties involved in a re-alignment of unions.

1/31/73

Eugene Haight, Principal

## GREENLAND CENTRAL SCHOOL REPORT OF THE SCHOOL HEALTH SERVICES

The School Health Service is designed to serve the physical and emotional needs of all children in the school system - collectively and individually; to promote an awareness among parents and educators of these needs and of available help through this department. The School Nurse - Counselor offers leadership and guidance to the development and maintenance of an all inclusive health program.

As School Nurse - Counselor, this year has provided me an opportunity to serve the children of this school in a much fuller capacity than ever before. It is rewarding to be able to offer physical health services, plus supportive help to those children suffering with problems and anxieties hidden from the casual eye. The opportunity to observe and evaluate individual children, confer with school personnel, physician and parents, refer with appropriate - - and follow up - - has facilitated earlier and more effective recognition and treatment of children with physical, emotional and/or learning disabilities.

The responsibility of the School Nurse Counselor involves an early recognition of intellectual, emotional, social, and physical strength and weakness; the encouragement of special talents; the prevention of conditions which impede learning; and the early use of available resources to meet the needs of children. The School Nurse - Counselor can help parents and teachers understand and aid children when they show the first signs of needing help. Promotion of team awareness and communication may result in reducing the seriousness of problems and offering more effective management.

Through education only can we expect returns from our efforts to establish understanding and good

practices of health, hygiene, and safety. We plan to have interesting speakers, new films, filmstrips, publications and other aids to enrich the health education curriculum - ideally for use in connection with special class units at a time when material will be most interesting and useful to the students.

Society is changing and so is the process of health and education. School Health Services vary according to the particular school and community. What should be included in one system, might be overlapping in another. In most departments, we find that coverage must be extended to meet the needs of the individual child and attending personnel, and it is none the less so with School Health Services according to the special provisions of the area.

Many hours have been contributed by School Volunteers, and I cannot commend them enough for their efficient and most valuable help in the many ways in which they have served our school.

Now firmly entrenched in our new Union No. 52, may I express my appreciation of the communication and support of the Portsmouth School Health and Special Education Services and Administration which have eliminated the adjustment problems so often a result of change.

To the Greenland School Board, Superintendent of Schools, James Cusick, Principal, Eugene Haight, members of the staff and friends in the community, your interest and participation in our overall school improvement, which is increasingly evident, have been especially helpful in this department of Health and Safety.

Respectfully submitted,  
Virginia Holder  
School Nurse—Counselor
